Plaintiffs and Defendants, by and through counsel, and pursuant to the Court's July 19, 2022 Order of Case Management Conference submit this status report.

To date, the parties have exchanged initial disclosures. Plaintiffs forwarded their mediation statement on August 17, 2022. Defendants have not provided a mediation statement to date. Defendants provide that they have prepared a mediation statement that will be shared following the selection/appointment of a mediator. Plaintiff has proceeded with the good faith intention of mediating the current claim. Defendants have communicated to Plaintiff that mediation will not be beneficial as the parties can not come together on a mutually agreeable outcome.

The parties entertained informal settlement discussions that have not been fruitful. The parties request that the Court allow the parties to proceed with discovery and set a trial date.

Respectfully submitted,
